Total Unit Strength: 25
 Total Core: 2300 (100%)

Total Units: 12

SPECIAL RULES AND SPELLS:

Aegis of the Elohi	The unit gains the <i>Iron Resolve</i> special rule. If it already has <i>Iron Resolve</i> , it increases the amount of damage regained each time <i>Iron Resolve</i> is used to two.
Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself.
Bane Chant	Spell: Range 12", Friendly, CC - If one or more hits are scored, for the rest of the turn the unit gains <i>Crushing Strength</i> (+1). This effect only applies once - multiple castings on the same target have no additional effect.
Big Shield	All attacks (Ranged and Melee) against the target unit's front facing treat its defence as 6+.
Bloodlust	Any friendly core unit hit with Nomagarok's Heal spell gains <i>Vicious (Melee)</i> for the remainder of the Turn.
Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest <i>Brutal</i> (n) value to the total rolled. If no value is specified, the unit has <i>Brutal</i> (1). If an enemy unit is subject to both the <i>Brutal</i> and <i>Dread</i> special rules, the attacking player must choose which to use.
Call to Greatness	As long as this unit is present and in play on the table, at the start of each of your Melee phases you may select a single friendly Core unit with the Ogre keyword within 12" regardless of Line of Sight. The selected unit is granted the <i>Brutal</i> (+1) special rule until the start of your next Turn.
Conjurer's Staff	Whenever the unit rolls to hit with non-unique spells, it can re-roll one of the dice that failed to hit.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Ensnare	Melee attacks against the target unit's front suffer an additional -1 to hit.
Enthral	Spell: 18", Enemy - For each hit scored, the target Enemy unit is pulled 1" directly forward if the spellcaster is in the target unit's front arc, directly sideways and toward the spellcaster if the spellcaster is in either of the target unit's flank arcs, or directly backward if the spellcaster is in the target unit's rear arc. The target stops 1" away from enemy units or just out of contact with Blocking Terrain and Friendly units. This spell has no effect on units with Speed 0.
Heal	Spell: 12", Friendly, Self, CC - For each hit, the target unit regains a point of damage that it previously suffered.

Hex	Spell: 30", Enemy - Instead of causing damage, if one or more hits are scored, the target enemy unit is Hexed and receives two points of damage each time it scores a hit with a spell until the end of its next Turn. A Nerve test is not required for damage caused by this spell. While a unit is Hexed, it may not cast spells unless it received a Halt or Change Facing order in the Movement Phase.
Inspiring	If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
Lightning Bolt	Spell: 24", Enemy - Roll to damage as normal. Modifiers: <i>Piercing</i> (1), Hits on a 5+ against unit in Cover.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.
Ogre Warlock	For each Friendly Core Large Infantry Regiment, Large Infantry Horde or Large Infantry Legion within 6", increase the amount of dice rolled with Drain Life, Fireball, Lightning Bolt and Mind Fog by 1 to a maximum bonus of +3.
Ogre Warlock[1]	For each friendly core Large Infantry Regiment or Large Infantry Horde within 6", increase the amount of dice rolled with Bane Chant, Heal and Lightning Bolt by 1 to a maximum bonus of +3.
Pathfinder	The unit suffers no movement penalties for Difficult Terrain, simply treating it as Open Terrain in the Movement phase. <i>Pathfinder</i> units are not Hindered when making a Charge though Difficult Terrain.
Piercing	All hits caused by Ranged attacks with this rule from this unit have a +(n) modifier when rolling to damage.
Rampage	When attacking an enemy unit with the Infantry, Heavy Infantry, Swarm or Cavalry unit type, a unit with this Special Rule gains (n) additional attacks.
Ravenous Lizard	White within 6" of this unit, both Friendly and Enemy units have -1 to their Waver and Rout Nerve values.
Regeneration	Every time this unit receives a Movement order (including Halt), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Sacred Horn	The unit gains as additional 3" range to all of its Auras.
Slayer	When attacking an enemy unit with the Large Infantry, Monstrous Infantry, Large Cavalry, Monster or Titan unit types, a unit with this Special Rule gains (n) additional attacks.
Steady Aim	The unit does not suffer from the -1 Moving modifier when making Ranged attacks.
Sticky Tongue	This unit's Enthral spell only has a range of 12". While casting Enthral, in addition to moving the target, roll to damage for each hit scored.
Strider	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
The Boomstick	The unit gains the Lightning Bolt (3) spell, or if the unit already has a Lightning Bolt spell, its value is increased by 2.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's <i>Crushing Strength</i> (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
Very Inspiring	This is the same as the <i>Inspiring</i> special rule, except that it has a range of 9". Any rule that affects <i>Inspiring</i> also affects <i>Very Inspiring</i> Inspiring: If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
Vicious	Whenever the unit rolls to damage, it must reroll all dice that score a natural, unmodified 1.
