Individual	See the Rules Chapter for Individuals									
Inspiring	If this unit, or any Friendly Core unit within 6inches of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.									
Iron Resolve	If this unit	is Steady a	is a result of	a Nerve te	st, it regains	one point of	damage pre	viously suff	ered.	
Lifeleech		suffered fo			mage rolls in e it causes or					
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt. When Disordered by a unit in Melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following Turn.									
Phalanx	Units that Charge this unit's front cannot use the Thunderous Charge special rule. In addition, Cavalry, Large Cavalr and units with the Fly special rule that make an unhindered Charge against this unit's front suffer a -1 to hit modifier in the subsequent Melee.									
Rallying	Friendly Core units within 6" of this unit have +n to their Wavering and Rout nerve value to a maximum of +2. This is cumulative if multiple units with Rallying are in range. For example, if a unit with a Ne stat of 13/15 is within 6" of a unit with Rallying (1),its Nerve stat is 14/16. If it moves out of the 6" range, its Nerve stat is 13/15 again. Only the Rout value of a Fearless unit is affected by Rallying.									
Shambling	The unit cannot be given an At the Double Movement order, except when carrying out a Scout move.									
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.									
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).									
Spell	Description	on							Specia	l Rules
Bane Chant Range: 12"					the turn the ungs on the sa	-	-			

Friendly, CC

Surge Range: 12" Friendly – Shambling Only For each hit, the target friendly Shambling unit moves straight forward a full inch (stopping just out of contact from Friendly units and Blocking Terrain). If applicable, the Fly special rule is not in effect for this movement. If this movement brings it into contact with an Enemy unit, treat this as a successful Charge against the enemy facing that has been contacted. However, the charged unit will not take any Nerve tests for any damage it might have taken in the previous Ranged phase. If, and only if, the surged unit contacts a corner of the Enemy unit and not the edge, determine whicharc of the target unit the Leader Point of the surgingunit is in before it moves and align to that side toattack. If two Enemy units are contacted at the same time, the attacking player may choose which unit is beingcharged. If the Surge move took the unit over an Obstacle orthrough Difficult Terrain, then it will be Hinderedin the ensuing combat as normal. This spell has no effect on units with Speed 0.

Artefact	Description
Aegis of the Elohi	The unit gains the Iron Resolve special rule. If it already has Iron Resolve, it increases the amount of damage regained each time Iron Resolve is used to two.
Inspiring Talisman	The unit gains the Inspiring special rule.
Tome of Darkness	The unit gains the Surge (5) spell, or if the unit already has a Surge spell, its value is increased by 3.
