Total Unit Strength: 25
 Total Core: 2300 (100%)

Total Units: 15

SPECIAL RULES AND SPELLS:

Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself.
Bane Chant	Spell: Range 12", Friendly, CC - If one or more hits are scored, for the rest of the turn the unit gains <i>Crushing Strength</i> (+1). This effect only applies once - multiple castings on the same target have no additional effect.
Beguilement	If Esenyshra's Enthral spell causes enough hits that an enemy unit would be able to move into contact with Esenyshra herself, the normal 1" stopping restriction is lifted. After contact is made, Esenyshra may immediately charge and align against the enemy facing that was moved into contact with her. However, the charged unit will not take any Nerve tests for any damage it might have taken in the previous Ranged phase.
Conjuror's Staff	Whenever the unit rolls to hit with non-unique spells, it can re-roll one of the dice that failed to hit.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Dread	While within 6" of this unit, Enemy units have -1 to their Wavering and Rout Nerve values, in addition to any other modifiers that may apply. A unit can only be affected by a single source of <i>Dread</i> - multiple sources are not cumulative. If an Enemy unit is subject to both the <i>Brutal</i> and <i>Dread</i> special rules or the <i>Shattering</i> and <i>Dread</i> special rules, the attacking player must choose to use either the <i>Brutal/Shattering</i> or the <i>Dread</i> modifiers. Both cannot be applied against the same unit.
Enthral	Spell: 18", Enemy - For each hit scored, the target Enemy unit is pulled 1" directly forward if the spellcaster is in the target unit's front arc, directly sideways and toward the spellcaster if the spellcaster is in either of the target unit's flank arcs, or directly backward if the spellcaster is in the target unit's rear arc. The target stops 1" away from enemy units or just out of contact with Blocking Terrain and Friendly units. This spell has no effect on units with Speed 0.

Fly	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While Disordered, this unit cannot use the <i>Fly</i> special rule. In addition, if a unit with <i>Fly</i> also has the <i>Nimble</i> special rule, then the <i>Nimble</i> special rule is also lost while the unit is Disordered.
Fury	While Wavering, this unit may still declare a Counter Charge.
Individual	See page 34 (page 30 in gamers edition)
Lightning Bolt	Spell: 24", Enemy - Roll to damage as normal. Modifiers: <i>Piercing</i> (1), Hits on a 5+ against unit in Cover.
Mighty	Individuals with the <i>Mighty</i> special rule are no longer Yielding.
Mind Fog	Spell: 36", Enemy - Instead of causing damage, if one or more hits are scored, make a Nerve test for the target at the end of the Ranged phase as though damage had been caused. Modifiers: Shattering
Mindthirst	If this unit is within 12" of an enemy unit with the <i>Inspiring</i> or <i>Very Inspiring</i> special rule and it is Routed, the opponent must re-roll that Nerve test. The second result stands.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.
Pathfinder	The unit suffers no movement penalties for Difficult Terrain, simply treating it as Open Terrain in the Movement phase. <i>Pathfinder</i> units are not Hindered when making a Charge though Difficult Terrain.
Pipes of Terror	This unit gains the <i>Brutal</i> special rule.
Sir Jesse's Boots of Striding	Once per game, this unit gains the <i>Strider</i> special rule until the end of the Turn.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Strider	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
Vicious	Whenever the unit rolls to damage, it must reroll all dice that score a natural, unmodified 1.
Wild Charge	Models with this special rule may add (n) to their charge range. This is added after Sp is doubled. For instance, a unit with a Sp stat of 4 and <i>Wild Charge</i> (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. <i>Wild Charge</i> (D3)). In these cases, before issuing a Movement order to this unit, roll a D3. If this unit is then issued a Charge order, it may add the result in inches to its total Charge range.
Wind Blast	Spell: 18", Enemy - For each hit the target enemy unit is pushed 1" directly backward if the spellcaster is in the target unit's front arc, directly sideways and away from the spellcaster if the spellcaster is in either of the target unit's flank arcs, or directly forward if the spellcaster is in the target unit's rear arc. The target stops 1" away from enemy units or just out of contact with blocking terrains and friends. This spell has no effect on Speed 0 units.
