## Kings of War – Paint Scoring

<i>Player Name</i>	
<i>Army Faction</i>	
<i>Club Allegiance</i>	

Did you paint this army yourself (Please circle)?      *Yes*      *No*

### *Hobby Self Scoring*

Please complete this section yourself and leave it with your army during the lunch break on day one. Please check/tick all boxes that apply to your army. Each box is worth the points specified, with a maximum self-score of 30 points. The judges will be spot-checking scores to make sure you've been honest.

Self Check List For 30 Points	<i>Points</i>	<i>Check</i>
All models in the army have been assembled.	1-4	
All models in the army are painted to a basic three-color standard.	1-6	
The paint scheme is consistent across the whole army.	1-4	
All models have been based with a type of texture (e.g sand, flock, static grass).	2	
The basing scheme is consistent across the entire army.	2	
Examples of advanced basing in the army (e.g. cork, tufts, water effects).	2	
Examples of basic shading in the army (e.g washes, dry-brushing).	2	
Examples of advanced shading in the army (e.g. blending, edge highlighting)	2	
Example of minor conversions in the army (e.g. head swaps, weapon swaps).	2	
Examples of advanced conversions in the army (e.g scratch-building, sculpting, LED's).	2	
Examples of advanced techniques in the army (e.g freehand, object-source-lighting)	2	

Due to the wide range of models used in Kings of War, conversions etc. can be difficult to spot. Please provide a brief description of any conversions and advanced painting techniques. Note 3d printing does not constitute a conversion, but if you manipulated the files and created something unique, please point it out! Please list the techniques used if you ticked either advanced conversions or painting above:
