Total Units:	14	Total Unit Strength:	24
Total Primary Core Points:	1995 (100.0%)		

Custom Rule	Description
Fuel for the Fire	While within 6" of another Friendly Core Flamebound unit, this unit can reroll all to hit rolls of a natural, unmodified 1 with Fireball, Bane Chant, Heal and Surge.

Special Rule	Description
Blast	If the unit's attack hits the target, the target suffers a number of hits equal to the number in brackets, rather than a single hit. Once this is done, roll damage as normal for all of this hits caused.
Command	Units with this Special Rule add a number of dice when creating a Command Pool. For example, a unit with the Command (Red (1)) rule would add one Red Command Dice when rolling to create a Command Pool as long as they have not been routed.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Duelist	While attacking enemy Individuals in Melee, this unit triples its number of Attacks.
Fireborn	This unit gains Life Leech (+1) for each Friendly Core unit, including itself, with the Inferno Keyword within 6" to a maximum of (+3)
Fuel for the Fire	While within 6" of another Friendly Core Flamebound unit, this unit can reroll all to hit rolls of a natural, unmodified 1 with Fireball, Bane Chant, Heal and Surge.
Individual	See the Rules Chapter for Individuals
Inspiring	If this unit, or any Friendly Core unit within 6inches of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt. When Disordered by a unit in Melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following Turn.
Pathfinder	The unit may move At The Double through Difficult Terrain as though it were Open Terrain. Pathfinder units are not Hindered when making a Charge through, or ending over, Difficult Terrain.
Phalanx	Units that Charge this unit's front cannot use the Thunderous Charge special rule. In addition, Cavalry, Large Cavalry and units with the Fly special rule that make an unhindered Charge against this unit's front suffer a -1 to hit modifier in the subsequent Melee.
Piercing	All hits caused by Ranged attacks with this rule from this unit have a +(n) modifier when rolling to damage.
Rallying	Friendly Core units within 6" of this unit have +n to their Wavering and Rout nerve value to a maximum of +2. This is cumulative if multiple units with Rallying are in range. For example, if a unit with a Ne stat of 13/15 is within 6" of a unit with Rallying (1),its Nerve stat is 14/16. If it moves out of the 6" range, its Nerve stat is 13/15 again. Only the Rout value of a Fearless unit is affected by Rallying.
Scout	The unit can make a single At the Double or Advance order after set-up is finished but before the first Turn of the first Round begins. If moving At the Double as part of this order, the unit treats Obstacles and Difficult Terrain as Open Terrain during the Scout movement. If both armies have units with this rule, both players roll a single die each. The highest scorer decides who begins to move one of their Scout units first, then the players alternate until all Scout units have been moved. Players then roll to determine who takes the first Turn in Round one as normal.
Shambling	The unit cannot be given an At the Double Movement order, except when carrying out a Scout move.
Steady Aim	The unit does not suffer from the -1 Moving modifier when making Ranged attacks.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
Vicious	Whenever the unit rolls to damage, it must reroll all dice that score a natural, unmodified 1.

Wild Charge

Models with this special rule may add (n) to their charge range. This is added after Sp is doubled. For instance, a unit with a Sp stat of 4 and Wild Charge (2) can Charge units up to 10" away. - In some instances, the (n) value may be a variable die roll (e.g. Wild Charge (D3)). In these cases, at the start of the controlling player's turn, roll a separate D3 for each unit that has a variable wild charge before issuing any movement orders.

Spell	Description	Special Rules
Fireball Range: 12" Enemy	Roll to damage the enemy as normal.	Shattering, Hits on a 5+ against units in Cover or with Stealthy.

Artefact	Description
Brew of Sharpness	The unit has a +1 to hit modifier with Melee attacks.
