

Kings of War Tournament Appearance Score Sheet

Player: _____ **Army:** _____

Self-Scoring – Please score your army. Each item is worth 1 point unless designated otherwise, in which case it is worth that number of points. These are all Yes/No options – either it meets the criteria, or it does not. This section is worth a maximum of 25 points. Up to 30 points will count toward your overall score (which includes players choice votes, and the judges scoring).

1	ALL models are painted to a three-color minimum standard (4 points)
2	The army looks like a cohesive force. (2 Points)
3	ALL models have basing material or paint applied to bases. (2 Points)
4	The ENTIRE army uses at least one basic highlighting or shading technique to add depth to the models. (2 Points) (cannot get this without #1 checked)
5	ALL units in the army meet the PMC standard (preferred model count – 70%)
6	Units of similar models are similarly painted but recognizable as belonging to different units.
7	ALL models are based in a consistent or cohesive manner.
8	Movement trays / multi-based bases have been designed to match the basing materials.
9	Units (at least 1 other than Army Standard) have banners.
10	Character models and army centerpieces stand out.
11	At least one model has been converted or dynamically posed.
12	At least one model has extensive and intricate basing.
13	All details of models/units painted (i.e. gem, eyes, ribbons, etc).
14	A painted scenic display board is used.
15	There is freehand painting in the army (banners, cloaks, etc).
16	A majority of models have been converted or dynamically posed.
17	Time was taken to paint intricate details (i.e. fabric patterns, gem reflections, NMM, etc.).
18	One or more units take advantage of multi-basing to make dynamic and interesting mini ‘dioramas’ (more than just adding a tree or terrain piece)
19	The display board was created to match the look of the army.

Use the following section to describe any special features you wish to draw attention to for the judges – freehand examples, conversions, cool things you have done with the army

Judge’s Discretion

20	This area is for the judges to add point as they see fit beyond the yes/no answers above (0 – 10 points)
