Total Units: 14 **Total Unit Strength:** 29
Total Points: 2300

Command Order	Target	Description
For Talanaar!	5	Infantry and Heavy Infantry units only. The unit gains the Vicious (Combat) special rule.
Chilling Presence	5	Units with the Frostbeast Trait only. At the end of the Movement Phase, all enemy units within 6" of this unit are given the Frozen status.

Special Rule	Description
Chilling Accuracy	The Ice Queen has the Elite (Ranged) special rule while targeting enemy units with the Frozen status, or friendly units, with any spells.

Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1), a roll of 4 would become a roll of 5.
Ensnare	In Combat, attacks against this unit's front suffer an additional -1 to hit.
Fearless	When taking Nerve tests, this unit treats Wavering as Steady.
Height (n)	If a unit is a different height from the standard of its unit type (see chart on page 12), its height is the number given in this special rule as (n).
Individual	This rule is explained on page 42.
Inspiring	If this unit, or any friendly unit within 6" of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!), that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Iron Resolve (n)	If this unit is Steady as a result of a Nerve test, it regains (n) points of damage previously suffered to a maximum of 3.
Leaper	When drawing Line of Sight from this unit, treat it as 1 point of Height higher than normal (modified by terrain as normal).
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre-point while executing a Charge! order.
Pathfinder	The unit may move At The Double! through Difficult Terrain as though it were Open Terrain.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge (n)	If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Hindered.
Vicious	Whenever the unit rolls to damage, it re-rolls all dice that score a natural, unmodified 1. Vicious may specify which phase it is limited to: e.g. Vicious (Combat) means the rule applies only in the Combat Phase.
Wild Charge (n)	Units with this special rule add (n) to their charge range. This is added after Sp is doubled. For example, a unit with a Sp stat of 4 and Wild Charge (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. Wild Charge (D3)). In these cases, roll a separate D3 for the unit after issuing a Charge order to it. If the number rolled means that the target unit is not in range to complete the charge, your unit must be given a different order, but cannot select an alternative unit to Charge!
Yielding	Both friendly and enemy units can always choose to ignore this unit, just as if it was not there, when moving and shooting (even if Engaged with it). They must however still end their Movement Order clear of this unit. It is assumed that the Yielding unit moves aside and lets the enemy pass by before returning to its position. If your unit(s) Routs a Yielding unit and chooses to move Forward!, and this random movement would bring them into contact with another enemy unit, treat this as a successful Charge against the facing that your unit(s) started its Forward! move in (if possible, otherwise against the facing contacted). If the Forward! move took your unit(s) over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing Combat as normal.

Spell	Description
Bane Chant Range: 12" Friendly, CC	If any hits are scored, instead of causing damage, for the rest of the Turn the unit gains Crushing Strength (+1). This effect only applies once – multiple castings on the same target have no additional effect.
Heal Range: 12" Friendly, Self, CC	For each hit scored, instead of causing damage, remove a point of damage from the target unit.
Artefact	Description
Orb of Towering Presence	May not be taken by units with the Individual or Fly special rules. Increase the unit's Unit Strength (see page 67) by +1.
Brew of Sharpness	The unit has a +1 to hit modifier with Combat attacks.
Ej Periscope	Infantry only. The hero gains the Leaper special rule.
