Special Rule	Description
Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself. Effects of Auras of the same type are not cumulative. So, for instance, a unit covered by two Aura (Thunderous Charge (+1)) do not gain Thunderous Charge (+2). Units only gain special rules that affect melee or ranged combat (such as Brutal, Elite, Crushing Strength etc.) if they are within the Aura when the combat is being resolved. Units only gain special rules that affect movement (such as Pathfinder, Strider, Wild Charge etc.) if they are within the Aura at the beginning of their movement.

Cloak of Death	In the Movement phase, after this unit has completed its order, all Enemy units within 6" of this unit take an immediate point of damage. Units can only be damaged by a single source of Cloak of Death per Turn. No Nerve test is required for damage taken from a Cloak of Death.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Elite	Whenever the unit rolls to hit, it must re-roll all dice that score a natural, unmodified 1.
Fly	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While Disordered, this unit cannot use the Fly special rule. In addition, if a unit with Fly also has the Nimble special rule, then the Nimble special rule is also lost while the unit is Disordered.
Individual	See the Rules Chapter for Individuals
Inspiring	If this unit, or any Friendly Core unit within 6 inches of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt. When Disordered by a unit in Melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following Turn.
Pathfinder	The unit suffers no movement penalties for Difficult Terrain, simply treating it as Open Terrain in the Movement phase. Pathfinder units are not Hindered when making a Charge through Difficult Terrain.
Radiance of Life	In the Movement phase, after this unit has completed its order, this unit and all Friendly Core units within 6" of this unit immediately remove one point of damage previously suffered. Units can only be affected by a single source of Radiance of Life per Turn.
Scout	The unit can make a single At the Double or Advance order after set-up is finished but before the first Turn of the first Round begins. If moving At the Double as part of this order, the unit treats Obstacles and Difficult Terrain as Open Terrain during the Scout movement. If both armies have units with this rule, both players roll a single die each. The highest scorer decides who begins to move one of their Scout units first, then the players alternate until all Scout units have been moved. Players then roll to determine who takes the first Turn in Round one as normal.
Shambling	The unit cannot be given an At the Double Movement order, except when carrying out a Scout move.
Steady Aim	The unit does not suffer from the -1 Moving modifier when making Ranged attacks.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
Wild Charge	Models with this special rule may add (n) to their charge range. This is added after Sp is doubled. For instance, a unit with a Sp stat of 4 and Wild Charge (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. Wild Charge (D3)). In these cases, before issuing a Movement order to this unit, roll a D3. If this unit is then issued a Charge order, it may add the result in inches to its total Charge range.

Spell	Description	Special Rules
Surge Range: 12" Friendly – Shambling Only	For each hit, the target friendly Shambling unit moves straight forward a full inch (stopping just out of contact from Friendly units and Blocking Terrain). If applicable, the Fly special rule is not in effect for this movement. If this movement brings it into contact with an Enemy unit, treat this as a successful Charge against the enemy facing that has been contacted. However, the charged unit will not take any Nerve tests for any damage it might have taken in the previous Ranged phase. If, and only if, the surged unit contacts a corner of the Enemy unit and not the edge, determine which arc of the target unit the Leader Point of the surging unit is in before it moves and align to that side to attack. If two Enemy units are contacted at the same time, the attacking player may choose which unit is being charged. If the Surge move took the unit over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing combat as normal. This spell has no effect on units with Speed 0.	
Artefact	Description	
Mead of Madness	The unit gains the Wild Charge (+1) special rule.	
Brew of Haste	This unit increases its Speed stat by +1.	

Hammer of Measured
Force

In Melee, this unit will always damage the enemy on a 4+ regardless of any other modifiers.

Wings of Honeymaze

Individuals only. The unit gains the Fly special rule and increases its Speed stat to 10, but decreases its Defence stat by -1 to a minimum of 2.
