Total Units:	16	Total Unit Strength:	26
Total Primary Core Points:	2300 (100.0%)		

Order	Cost	Phase	Description
Accuracy	1	Any	When the unit rolls to hit in Melee or at Range, it can re-roll one of the dice that failed to hit. A unit given this Order may not use the Blast Special Rule for this Turn.
Strength	1	Any	When the unit rolls to damage in Melee or at Range, it can re-roll one of the dice that failed to damage.
Endurance	2	Movement	The unit regains one point of damage it previously suffered.
Reposition	3	Movement	When issuing a Sidestep Order, this unit may instead use its full Speed. The unit may not use a ranged attack or be targeted by the Surge Spell this Turn.
Tactical Retreat	3	Movement	When issuing a Back Order, this unit may instead use its full Speed. The unit may not use a ranged attack or be targeted by the Surge Spell this Turn.
Channel Power	3	Ranged	Increase the (n) value of one non-Unique Spell by +1 until the end of the Turn
Far Spell	3	Ranged	Add 3" of Range to a single non Unique spell ranged attack until the end of the Turn.
Stubborn	5	Movement	The Unit loses its Wavered Status but remains disordered and cannot issue a charge or countercharge order this Turn.
Vigilance	6	Melee	The unit may, after rolling to hit and to damage in the Melee phase, discard all damage caused and start again. Roll to hit and to damage again. The second result stands. Rerolling in this way must take place before testing for Nerve or rolling any other attacks from other units in the same Melee
By the Master's Will	4	Movement	This unit loses the Shambling Special Rule until the end of the Turn.
Vengeanc e of the Dead	4	Movement	Cavalry, Large Cavalry, and Chariots Only. This unit gains the Vengeance Unique Special Rule (see below) Until the end of the Turn. Vengeance: While Counter Charging, this unit has Crushing Strength (+1)

Custom Rule	Description
Monolith	<ul style="list-style-type: none"> In any Turn in which this unit has not Issued an At the Double Order, you may cast Surge (8) on a single Friendly Core unit anywhere within 24" of this unit ignoring Line of Sight and Arc restrictions. The Monolith cannot be disordered and its Base size cannot be increased beyond 75x75mm.
Restore Ancient Glory	Once per turn, after completing its move, this unit may choose a single friendly unit within 6" that has the Skeleton keyword and have it replace their Melee value with Rahs' Melee value until the end of the turn.

Special Rule	Description
Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself. Effects of Auras of the same type are not cumulative. So, for instance, a unit covered by two Aura (Thunderous Charge (+1)) do not gain Thunderous Charge (+2). Units only gain special rules that affect melee or ranged combat (such as Brutal, Elite, Crushing Strength etc.) if they are within the Aura when the combat is being resolved. Units only gain special rules that affect movement (such as Pathfinder, Strider, Wild Charge etc.) if they are within the Aura at the beginning of their movement.
Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If no value is specified, the unit has Brutal (1). If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use.
Casket of the Damned	The Unit gains the Scout Special Rule.
Command	Units with this Special Rule add a number of dice when creating a Command Pool. For example, a unit with the Command (Red (1)) rule would add one Red Command Dice when rolling to create a Command Pool as long as they have not been routed.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Individual	See the Rules Chapter for Individuals
Inspiring	If this unit, or any Friendly Core unit within 6inches of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Lifeleech	When this unit completes its to-hit and to-damage rolls in Melee combat, it regains one point of damage it has previously suffered for every point of damage it causes on the enemy unit, up to a maximum of n. Lifeleech has a maximum total of 3.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt. When Disordered by a unit in Melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following Turn.
Reanimator	For each other Friendly Core Skeleton unit within 6", you may re-roll one dice that failed to hit with Drain Life, Fireball, Heal, Hex, Surge, Weakness and Wind Blast to a maximum of two re-rolls.
Regeneration	Every time this unit receives a Movement order (including Halt),before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Scout	The unit can make a single At the Double or Advance order after set-up is finished but before the first Turn of the first Round begins. If moving At the Double as part of this order, the unit treats Obstacles and Difficult Terrain as Open Terrain during the Scout movement. If both armies have units with this rule, both players roll a single die each. The highest scorer decides who begins to move one of their Scout units first, then the players alternate until all Scout units have been moved. Players then roll to determine who takes the first Turn in Round one as normal.
Shambling	The unit cannot be given an At the Double Movement order, except when carrying out a Scout move.
Slayer	When attacking an enemy unit with the Large Infantry, Monstrous Infantry, Large Cavalry, Monster or Titan unit types, a unit with this Special Rule gains (n) additional attacks on its profile until the end of the Turn.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
Very Inspiring	This is the same as the Inspiring special rule, except that it has a range of 9". Any rule that affects Inspiring also affects Very Inspiring. Ignore this modifier for the purposes of Inspiring - this special rule affects all units, except Inspiring (Self).

Spell	Description	Special Rules
Bane Chant Range: 12" Friendly, CC	If one or more hits are scored, for the rest of the turn the unit gains Crushing Strength (+1). This effect only applies once – multiple castings on the same target have no additional effect.	
Surge Range: 12" Friendly – Shambling Only	For each hit, the target friendly Shambling unit moves straight forward a full inch (stopping just out of contact from Friendly units and Blocking Terrain). If applicable, the Fly special rule is not in effect for this movement. This Movement may bring a Surged unit within 1" of enemy units. If this movement brings it into contact with an Enemy unit, treat this as a successful Charge	

against the enemy facing that has been contacted. However, the charged unit will not take any Nerve tests for any damage it might have taken in the previous Ranged phase. If, and only if, the surged unit contacts a corner of the Enemy unit and not the edge, determine which arc of the target unit the Leader Point of the surging unit is in before it moves and align to that side to attack. If two Enemy units are contacted at the same time, the attacking player may choose which unit is being charged. If the Surge move took the unit over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing combat as normal. This spell has no effect on units with Speed 0.

Veil of Shadows [1] Range: 0" Self	If one or more hits are scored, the spellcaster gains the Aura (Stealthy) special rule until the start of the player's next Turn.
-------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------

Barkskin [1] Range: 12" Friendly, Self, CC	Unlike most spells that always hit on a 4+, this spell rolls to hit on a result equal to the target's Defence value (e.g. when targeting a Defence 5 unit, the spell will hit on a 5+ before any other modifiers are applied). For each hit scored, place a Barkskin token on the target unit (use a different coloured die or suitable markers). Whenever a unit with one or more Barkskin tokens would suffer damage, it instead removes one Barkskin token per point of damage taken. Once all Barkskin tokens have been removed, excess damage is suffered by the unit as normal. Removing a Barkskin token does not count as taking damage for the purposes of requiring a Nerve test or other special rules, but will still Disorder the target if the token was removed in Melee. At the start of the caster's following Turn, all remaining Barkskin tokens on the target unit are removed from play.
---------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Artefact	Description
Sir Jesse's Boots of Striding	Once per game, this unit gains both the Pathfinder & Strider special rules until the end of the Turn.
Tome of Darkness	The unit gains the Surge (5) spell, or if the unit already has a Surge spell, its value is increased by 3.
Lute of Insatiable Darkness	The unit gains the Bane Chant (2) spell.
